

# Buy games and support Hermosa Beach Schools!

Offer good May 11 through May 22

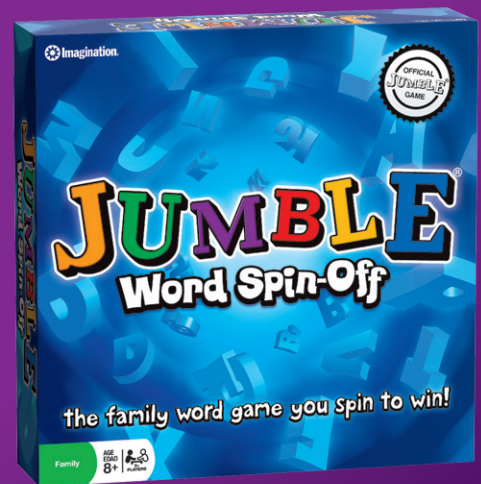

Quelf is a zany family fun game for adults and kids ages 12+. Laugh yourself silly following the Stunz cards (can you drink a glass of water from the opposite side of the glass?) Or if it's a Roolz card, you may have to "lick your teeth and say Willy Wonka has arrived!" every time you draw a card for the rest of the game!

Quelf is an award-winning family game, having recently won Top Pick from Today's Parents and Creative Child Magazine's Seal of Approval, among others.

**Buy Quelf for \$25.00 and \$10.00 goes to our school!**

Jumble is American's favorite word game for adults and kids ages 8+. No word will be left unturned as you scramble, spin and race against the timer! Players have 30 seconds to solve Easy, Medium or Hard word puzzles and win tokens along the way. Tokens can buy you extra time or hints before time runs out. It's the family word game you spin to win!

**Buy Jumble for \$20.00 and \$7.00 goes to our school!**

**Games will be delivered to Hermosa Valley School for pick up by June 10.**
